

## AYAL KIMHI

### Presentations in Professional Meetings

1. *The Relevance of the Extent of Farm Work to the Analysis of Off-Farm Labor Supply of Farmers*. Presented at the annual meeting of the American Agricultural Economics Association, August 4-7, 1991, Manhattan, Kansas, U.S.A.
2. *Optimal Timing of Transferring the Farm Operation from Father to Son*. Presented at the annual meetings of the American Economics Association, August 9-12, 1992, Baltimore, Maryland, U.S.A.
3. *The Gender Earnings Gap: Some International Evidence (Discussion)*. Presented at the International Seminar on Economic Policy and Income Distribution, May 17-20, 1993, Israel.
4. *Minimum Distance Estimation of Simultaneous Ordered Probit Models: A Case Study of Off-Farm Labor Supply of Married Farm Couples*. With M-j. Lee. Presented at the European Summer Meeting of the Econometric Society, August 22-26, 1993, Uppsala, Sweden.
5. *Intergenerational Succession in Family Businesses*. Presented at the Annual Meeting of the American Economic Association, January 3-5, 1994, Boston, Massachusetts, U.S.A.
6. *Off-Farm Work of Farmers: The Effect of Household Composition*. Presented at the 1994 Annual Meeting of the European Society for Population Economics, June 2-4, 1994, Tilburg, The Netherlands.
7. *Differential Human Capital Investments and the Choice of Successor in Family Farms*. Presented at the Annual Meeting of the Allied Social Science Associations, January 6-9, 1995, Washington, DC, U.S.A.
8. *Estimation of an Endogenous Switching Regression Model with Discrete Dependent Variables: Monte-Carlo Analysis and Empirical Application of Three Estimators*. Presented at the 7th World Congress on the Econometric Society, August 22-29, 1995, Tokyo, Japan.
9. *Off-Farm Work Participation of Israeli Farm Couples: the Importance of Farm Work Participation Status*. Presented at the International Symposium "Perspectives on Rural Employment", October 11-14, 1995, Coaticook, Quebec, Canada.
10. *Farmers' Exit Behavior in Canada and Israel*. Presented at the Jerusalem Conference in Canadian Studies, May 12-14, 1996, Jerusalem, Israel.
11. *Household Demand for Tobacco: Identifying Reasons for Non-Purchases*. Presented at the Tenth Anniversary Meetings of the European Society for Population Economics, 13-15 June 1996, Uppsala, Sweden.

- 12.** *Off-Farm Work Decisions of Farmers over the Life Cycle: Evidence from Panel Data.* Presented at the Sixth Biennial International Conference on Panel Data, 27-28 June 1996, Amsterdam, The Netherlands.
- 13.** *Retirement Planning and Succession Considerations of Maryland Farmers: Evidence from a Household Survey* (with Ramon Lopez). Presented at the Eleventh Annual Meetings of the European Society for Population Economics, 19-21 June 1997, Colchester, UK.
- 14.** *Off-Farm Work Decisions of Farmers over the Life Cycle: The Role of Heterogeneity and State Dependence* (with Avner Ahituv). Presented at the Twelfth Annual Conference of the European Society for Population Economics, 4-6 June 1998, Amsterdam, The Netherlands.
- 15.** *Capital Accumulation and Work Status Decisions of Farmers: The Role of Heterogeneity and State Dependence* (with Avner Ahituv). Presented at the Eighth International Conference on Panel Data, 11-12 June 1998, Goteburg, Sweden.
- 16.** *Intergenerational Succession in Israeli Family Farms* (with Noga Nachlieli). Presented at the Annual Meeting of the American Agricultural Economics Association, 2-5 August 1998, Salt Lake City, U.S.A.
- 17.** *Intra-household Allocation of Food in Southern Ethiopia* (with Nathan Sosner). Presented at the Northeast Universities Development Consortium Conference, 16-17 October 1998, Yale University, New Haven, U.S.A.
- 18.** *Barriers for Development in Zambian Agriculture* (with Dennis Chiwele). Presented at the Northeast Universities Development Consortium Conference, 8-9 October 1999, Harvard University, Boston, U.S.A.
- 19.** *Intra-household Allocation of Food in Southern Ethiopia* (with Nathan Sosner). Presented at the Conference on Opportunities in Africa, 9-10 April 2000, Oxford University, U.K.
- 20.** *Barriers for Development in Zambian Agriculture* (with Dennis Chiwele). Presented at the Seminar on Trends and New Directions in Economic Development in Sub-Saharan Africa, 17-18 May 2000, Tel-Aviv University, Israel.
- 21.** *Off-Farm Work Participation of Israeli Farm Women: the Importance of Farm Work Participation Status.* Presented at the Annual Meeting of the Israel Economic Association, 1 June 2000, Jerusalem, Israel.
- 22.** *Intergenerational Succession in Israeli Family Farms* (with Noga Nachlieli). Presented at the Annual Meetings of the European Society for Population Economics, 15-18 June 2000, Bonn, Germany.
- 23.** *Supervision and Transaction Costs: Evidence from Bicol Rice Farms* (with Robert E. Evenson and Sanjay DeSilva). Presented at the Annual Meeting of the American Agricultural Economics Association, July 31 - 2 August 2000, Tampa, Florida, U.S.A.

- 24.** *Supervision and Transaction Costs: Evidence from Bicol Rice Farms* (with Robert E. Evenson and Sanjay DeSilva). Presented at the Northeast Universities Development Consortium Conference, 6-7 October 2000, Cornell University, Ithaca, New York, U.S.A.
- 25.** *Supervision and Transaction Costs: Evidence from Bicol Rice Farms* (with Robert E. Evenson and Sanjay DeSilva). Presented at the 2001 Winter Meeting of the Econometric Society, 4-7 January 2001, New Orleans, Louisiana, U.S.A.
- 26.** *The Effect of Family Composition on the Off-Farm Participation Decisions in Israeli Farm Households* (with Eddie Seiler). Presented at the Second Mediterranean Social and Political Research Meeting, Robert Schuman Center for Advanced Studies, European University Institute, 21-25 March 2001, Florence, Italy.
- 27.** *Off-Farm Employment and Farm Capital Investments: A Simultaneous Analysis* (with Avner Ahituv). Presented at the Seventeenth Annual meeting of the Israel Economic Association, Kibbutz Shefayim, May 3, 2001.
- 28.** *Threshold Variation and Multivariate Ordered Discrete Response Models: Identification, Estimation, and Tests* (with Myoung-jae Lee). Presented at the Seventeenth Annual meeting of the Israel Economic Association, Kibbutz Shefayim, May 3, 2001.
- 29.** *Off-Farm Employment and Farm Capital Investments: Analysis of Israeli Panel Data* (with Avner Ahituv). Presented at the Seminar on "Socio-Economic Research Using Panel Data", Tel Aviv University, May 7, 2001.
- 30.** *The Effect of Family Composition on the Off-Farm Participation Decisions in Israeli Farm Households* (with Eddie Seiler). Presented at the Annual Meetings of the European Society for Population Economics, 14-16 June 2001, Athens, Greece.
- 31.** *Wage Formation and Recurrent Unemployment: Discussion*. Presented at Econometrics in Tel Aviv 2001 Conference, Tel Aviv University, June 18-24, 2001.
- 32.** *Pension Wealth and Intergenerational Transfers in Israeli Family Farms*. Presented at the 21<sup>st</sup> Arne Ryde Symposium on "Non-Human Wealth and Capital Accumulation", Lund University, August 23-25, 2001, Lund, Sweden.
- 33.** *Barriers for Development in Zambian Agriculture* (with Dennis Chiwele). Presented at the Annual Meeting of the Allied Social Science Associations, January 3-6, 2002, Atlanta, GA, U.S.A.
- 34.** *Socio-Economic Determinants of Health and Physical Fitness in Southern Ethiopia*. Presented at the First International Conference on "Economics and Human Biology", July 11-14, 2002, Tübingen, Germany.
- 35.** *Family Composition and Farmers' Time Allocation*. Presented at "The Economics of Water and Agriculture" Workshop, December 18-20, 2002, Rehovot, Israel.
- 36.** *Socio-Economic Determinants of Health and Physical Fitness in Southern Ethiopia*. Presented at the Annual Meeting of the Allied Social Science Associations, January 3-5, 2003, Washington, DC, U.S.A.

- 37.** *Family Composition and Farmers' Time Allocation.* Presented at the Annual Meeting of the Allied Social Science Associations, January 3-5, 2003, Washington, DC, U.S.A.
- 38.** *Family Composition and Farmers' Time Allocation.* Presented at the 19<sup>th</sup> Annual Meeting of the Israel Economic Association, June 3, 2003, Kibbutz Ma'ale Hachamisha, Israel.
- 39.** *Farm Work, Off-Farm Work, and Hired Farm Labor: Estimating a Discrete-Choice Model of French Farm Couples' Labor Decisions* (with Catherine Benjamin). Presented at the Annual Meetings of the European Society for Population Economics, 13-15 June 2003, New York, USA.
- 40.** *Farm Work, Off-Farm Work, and Hired Farm Labor: Estimating a Discrete-Choice Model of French Farm Couples' Labor Decisions* (with Catherine Benjamin). Presented at the North American Summer Meetings of the Econometric Society, 25-29 June 2003, Evanston, IL, USA.
- 41.** *Farm Work, Off-Farm Work, and Hired Farm Labor: Estimating a Discrete-Choice Model of French Farm Couples' Labor Decisions* (with Catherine Benjamin). Presented at the Annual Meeting of the American Agricultural Economics Association, 27-30 July 2003, Montreal, Canada.
- 42.** *Time Allocation between Farm and Off-Farm Activities in Israeli Farm Households* (with Eliel Rapaport). Presented at the Annual Meeting of the Allied Social Science Associations, January 3-5, 2004, San Diego, CA, U.S.A.
- 43.** *The Role of Agriculture in Rural Well-Being in Israel.* Presented at the 78<sup>th</sup> Annual Conference of the Agricultural Economic Society, 2-4 April 2004, London, UK.
- 44.** *The Role of Agriculture in Rural Well-Being in Israel.* Presented at the 20<sup>th</sup> Annual Meeting of the Israel Economic Association, June 7, 2004, Ma'ale Hachamisha, Israel.
- 45.** *Gender Differences in Health and Nutrition in Southern Ethiopia.* Presented at the "Immigration, Minorities and Social Exclusion" Conference, June 27-28, 2004, Bar-Ilan University, Israel.
- 46.** *Growth, Inequality and Labor Markets in LDCs: A Survey.* Presented at the CESifo Venice Summer Institute on "Dissecting Globalization", July 21-22, 2004, Venice International University, Italy.
- 47.** *Economic Transition in Rural Israel.* Presented at the Workshop on "Interdisciplinary Aspects of Rural Development in Israel", December 14, 2004, Haifa University, Israel.
- 48.** *The Joint Dynamics of Off-Farm Employment and the Level of Farm Activity.* With Avner Ahituv. Presented at the First Haifa-Humboldt Economics Conference, April 7-8, 2005, Haifa University, Israel.

- 49.** *Land Reform, Cropland Allocation Decisions, and Crop Yields in Georgia.* With Iddo Kan. Presented at the International Workshop on "Privatization, Liberalization and the Emergence of Private Farms in Former Soviet Countries", June 20-22, 2005, Tbilisi, Georgia.
- 50.** *Off-Farm Labor Supply in Rural Georgia.* With Ofir Hoyman. Presented at the International Workshop on "Privatization, Liberalization and the Emergence of Private Farms in Former Soviet Countries", June 20-22, 2005, Tbilisi, Georgia.
- 51.** *Economic Well-Being in Rural Communities: The Role of Agriculture.* Presented at the Annual Meeting of the American Agricultural Economics Association, 24-27 July 2005, Providence, U.S.A.
- 52.** *Globalization, Growth and Inequality: A Labor Market Perspective.* Presented at the COE/JEPA Joint International Conference "Towards a New Economic Paradigm: Declining Population Growth, Labor Market Transition and Economic Development under Globalization," 17-18 December 2005, Awaji Island, Japan.
- 53.** *The Simultaneous Evolution of Farm Size and Specialization: Dynamic Panel Data Evidence from Israeli Farm Communities.* With Hila Rekah. Presented at the 96<sup>th</sup> EAAE Seminar on "Causes and Impacts of Agricultural Structures", 10-11 January 2006, Taenikon, Switzerland.
- 54.** *Income Inequality Decomposition: the Case of Georgia.* Presented at the 23<sup>th</sup> Annual Meeting of the Israel Economic Association, May 30, 2007, Ma'ale Hachamisha, Israel.
- 55.** *Does Land Reform in Transition Countries Increase Child Labor? Evidence from the Republic of Georgia.* Presented at the IZA Workshop on "Child Labor in Developing Countries", June 7, 2007, Bonn, Germany.
- 56.** *The Incomes of Rural Households in Moshavim.* Presented at the Workshop on "Small Businesses and Entrepreneurship in Moshavim", July 18, 2007, Rehovot, Israel.
- 57.** *Does Rural Household Income Depend on Neighboring Communities? Evidence from Israel.* Presented at the Annual Meeting of the American Agricultural Economics Association, July 29 - August 1, 2007, Portland, OR, U.S.A.
- 58.** *Survival and Growth of Family Farms in Israel.* With Yuval Dolev. Poster Presented at the Annual Meeting of the American Agricultural Economics Association, July 29 - August 1, 2007, Portland, OR, U.S.A.
- 59.** *Assessing the Response of Farm Households to Dairy Policy Reform in Israel.* With Ofir Rubin. Poster Presented at the Annual Meeting of the American Agricultural Economics Association, July 29 - August 1, 2007, Portland, OR, U.S.A. - won third place in the Outstanding Poster Presentation contest.
- 60.** *Regression-based Inequality Decomposition Revisited: The Case of Korean Farm Households.* With Yuko Arayama and Jong-Moo Kim. Presented at the EEA-ESEM Congress, August 27-31, 2007, Budapest, Hungary.

- 61.** *On Specialization and Heterogeneity in Moshavim.* Presented at the "Is There Another Economy?" Workshop, Center for Cooperative Studies, Yad Tabenkin, February 18, 2008, Ramat Efal, Israel.
- 62.** *Economic and Social Transformations in Moshavim.* Presented at the "Transformations in the Rural Hemisphere in Israel" Workshop, Haihud Hahaklai, May 15, 2008, Ramat Efal, Israel.
- 63.** *Income Inequality within Agricultural Households in Korea.* Presented at the Seventh Annual Conference of Asian Studies in Israel, May 21-22, 2008, Jerusalem, Israel.
- 64.** *Does Female Income Contribute to the Rise in Income Inequality among Israeli Households?* Presented at the 24<sup>th</sup> Annual Meeting of the Israel Economic Association, June 4, 2008, Ma'ale Hachamisha, Israel.
- 65.** *Entrepreneurship and Income Inequality in Southern Ethiopia.* Presented at the UNU-WIDER Project Workshop on "Entrepreneurship and Economic Development", August 21-23, 2008, Helsinki, Finland.
- 66.** *Identifying Determinants of Income Inequality in the Presence of Multiple Income Sources: The Case of Korean Farm Households.* With Yuko Arayama and Jong-Moo Kim. Poster Presented at the IARIW 30<sup>th</sup> General Conference, August 24–30, 2008, Portoroz, Slovenia.
- 67.** *Regression-Based Inequality Decomposition: A Critical Review and Application to Farm-Household Income Data.* Presented at the 63<sup>rd</sup> European Meeting of the Econometric Society, August 27–31, 2008, Milan, Italy.
- 68.** *Male Income, Female Income, and Household Income Inequality in Israel: a Decomposition Analysis.* Presented at the Conference on "Income Distribution and the Family", September 1-3, 2008, Kiel, Germany.
- 69.** *Heterogeneity, Specialization and Growth in Israeli Moshav Communities.* With Hila Rekah. Presented at the International Seminar on "Pathways to Rural Economic Development in Transition Countries: The Role of Agricultural Cooperatives", 5-6 September 2008, Yerevan, Armenia.
- 70.** *The World Food Crisis: Causes and Consequences.* Presented at the Agricultural Extension Service Workshop, 11 September 2008, Beit Dagan, Israel.
- 71.** *Pension Wealth and Intergenerational Transfers in Family Businesses.* Presented at the IASK International Conference: Global Management 2008, Porto, Portugal, 13-15 October, 2008.
- 72.** *The World Food Crisis: Causes and Consequences.* Presented at the "Nutrition Builds Future: Vision, Research and Implementation" Conference, 10 December 2008, Shefayim, Israel.

- 73.** *Fluctuations in Food Prices: Causes and Consequences.* Presented at the "Fluctuations in Grain Prices and their Impact on Field-Crop Profitability in Israel" Workshop, 14 January 2009, Tel-Aviv, Israel.
- 74.** *Food Prices in a Changing World.* Presented at the "Israeli Agriculture and the World Economic Crisis" Workshop, 21 January 2009, Tel-Aviv, Israel.
- 75.** *Israel's Technology Transfers to Developing Countries.* Presented at the "Hungry for Change: Transcending feast, Famine and Frenzy" Conference, 4 February 2009, Edmonton, Canada.
- 76.** *Gender, Ethnic Minorities, and Rural Income Inequality: The Case of Israeli Arabs.* Presented at the Mediterranean Research Meeting, 25-28 March 2009, Montecatini Terme, Italy.
- 77.** *Rural Non-Farm Employment and Income Inequality in Southern Ethiopia: The Gender Dimension.* Presented at the FAO-IFAD-ILO Workshop on Gaps, Trends and Current Research in Gender Dimensions of Agricultural and Rural Employment: Differentiated Pathways Out of Poverty, 31 March - 2 April 2009, Rome, Italy.
- 78.** *Sources of the Food Price Crisis.* Presented at the International Conference on "The Global Food Crisis: Meeting the Challenge." 5-6 May 2009, Tel-Aviv, Israel.
- 79.** *Income Inequality in Small Communities: Ethnic Minorities, Education and Fertility.* Presented at the 25<sup>th</sup> Annual Meeting of the Israel Economic Association, June 1, 2009, Ma'ale Hachamisha, Israel.
- 80.** *Income Inequality within Moshav Cooperatives.* With Tal Wolberg. Presented at the International Workshop "Rural Cooperation in the 21<sup>st</sup> Century: Lessons from the Past, Pathways to the Future," June 15-17, 2009, Rehovot, Israel.
- 81.** *Structural Changes in Israeli Agriculture.* Presented at the Agrexco Summer 2009 Conference, August 2, 2009, Ramat-Gan, Israel.
- 82.** *Does Non-Farm Income Increase Farm-Household Income Inequality? Evidence from Three Continents.* Presented at the 27<sup>th</sup> International Conference of Agricultural Economists, August 16-22, 2009, Beijing, China.
- 83.** *Land Reform and Off-Farm Labor Income in the Republic of Georgia.* Presented at the 27<sup>th</sup> International Conference of Agricultural Economists, August 16-22, 2009, Beijing, China.
- 84.** *Challenges to Agricultural Cooperatives in the Face of Globalization: the Case of Israeli Moshavim.* Presented at the 27<sup>th</sup> International Conference of Agricultural Economists, August 16-22, 2009, Beijing, China.
- 85.** *(What) Will We Eat Tomorrow.* Presented at Tomorrow: The Israeli Presidential Conference, October 20-22, 2009, Jerusalem, Israel.

- 86.** *The Importance of Foreign Workers for Israeli Agriculture.* Presented at the Agrexco4U Conference on Foreign Workers and the Water Crisis, December 24-26, 2009, Eilat, Israel.
- 87.** *World Food Prices and their Impact on Agriculture.* Presented at the Workshop on Agricultural Planning under Uncertainty, July 4, 2010, Magen, Israel.
- 88.** *Does Rural Household Income Depend on Neighboring Urban Centers? Evidence from Israel.* Presented at the 18<sup>th</sup> Annual Colloquium of the IGU-Commission on the Sustainability of Rural Systems, July 7-8, 2010, Bar-Ilan University, Ramat Gan, Israel.
- 89.** *Education, Employment and Income: Israel 1998-2008.* Presented at the 8<sup>th</sup> Annual Israel-Sderot Conference on Social Issues, November 9-10, 2010, Sapir Academic College, Sderot, Israel.
- 90.** *Revitalizing and Modernizing Smallholder Agriculture: The Aldeia Nova Project in Angola.* Presented at the "Inclusive Sustainable Development Initiatives" Conference (Rehovot Conference 2010), December 5-7, 2010, The Hebrew University, Rehovot, Israel.
- 91.** *Inequality, Poverty, and the Labor Market in Israel.* Presented at the Second Annual Conference of ESPANet Israel, "Social Policy in Israel: Research, Theory and Practice", February 10, 2011, The Max Stern Academic College of Emek Yezreel, Israel.
- 92.** *Religious Schooling, Secular Schooling, and Household Income Inequality in Israel.* Presented at the Conference on "Human Capital and Employment in the European and Mediterranean Area", March 10-11, 2011, University of Bologna, Bologna, Italy.
- 93.** *Schooling Gaps – A Major Determinant of Socio-Economic Gaps in Israel* (Keynote Lecture). Presented at the "Educational Periphery in Israel" Conference, March 31, 2011, Ramat Gan, Israel.
- 94.** *Education and Income Inequality in Israel: Policy Implications.* Poster Presented at the CICSE Lectures on Growth and Development, April 27–29, 2011, Naples, Italy.
- 95.** *Long-run Trends in Farm Size Distribution and their Determinants.* Presented at the "Emerging Issues in Agricultural Economics" International Workshop, May 29 - June 2, 2011, Rehovot, Israel.
- 96.** *Efficiency Implications of the Dairy Farm Policy Reform in Israel.* Presented at the "Emerging Issues in Agricultural Economics" International Workshop, May 29 - June 2, 2011, Rehovot, Israel.
- 97.** *Dilemmas of Economic Development in Rural Areas.* Presented at the "Dilemmas of Economic Development in Rural Areas" Roundtable Discussion on the Changing Rural Hemisphere, June 12, 2011, Haifa, Israel.

- 98.** *Long-run Trends in the Farm Size Distribution in Israel: the Role of Part-Time Farming.* Presented at the XIII<sup>th</sup> Congress of the European Association of Agricultural Economics, August 30 - September 2, 2011, Zurich, Switzerland.
- 99.** *Can Female Non-Farm Labor Income Reduce Income Inequality? Evidence from Rural Southern Ethiopia.* Presented at the XIII<sup>th</sup> Congress of the European Association of Agricultural Economics, August 30 - September 2, 2011, Zurich, Switzerland.
- 100.** *Employment and Wage Disparities.* Presented at the 9<sup>th</sup> Annual Israel-Sderot Conference on Social Issues, November 29-30, 2011, Sapir Academic College, Sderot, Israel.
- 101.** *The Role of Education in Socio-Economic Gaps in Israel* (Keynote Lecture). Presented at the "Meet after School" Workshop, December 7<sup>th</sup>, 2011, Tel Aviv, Israel.
- 102.** *Socio-Economic Gaps in Israel: 1998-2010.* Presented at the "Economy Under Siege" Conference, January 17-18, 2012, Ma'ale Hachamisha, Israel.
- 103.** *Employment and Wage Gaps in Israel.* Presented at the Third Annual Conference of ESPAnet Israel, "From Whom to Demand Social Justice: Social Policy and Civilian Society in a Time of Protest", March 1<sup>st</sup>, 2012, Ashkelon Academic College, Israel.
- 104.** *The World Food Crisis: The Role of Agriculture.* Presented at the "Global Agriculture" Conference, March 13<sup>th</sup>, 2012, Shefayim, Israel.
- 105.** *Employment and Wage Gaps in Israel: The Role of Education.* Presented at the Conference on "Israeli Society: Current Trends and Future Prospects", April 15<sup>th</sup>, 2012, New York University, New York, U.S.A.
- 106.** *Trends in Work Patterns and Income of the Elderly in Israel.* Presented at the Retirement Age Workshop, June 20-21, 2012, Tel Aviv University, Tel Aviv, Israel.
- 107.** *Climate Change, Agricultural Adaptation, and Food Prices: A Partial Equilibrium Approach using Micro Data.* Presented at the Climate Change and Development Policy Conference, September 28-29, 2012, UNU-WIDER, Helsinki, Finland.
- 108.** *Demographic Survey of Preschool Children.* Presented at the Symposium on "Pre-Primary Education in Israel: Organizational and Demographic Aspects", October 31<sup>st</sup>, 2012, Jerusalem, Israel.
- 109.** *Preventing Dropout from Higher Education: At All Price? Critical Analysis of the Situation in Israel and Overseas.* Presented at the Second Conference on Preventing Dropout from Higher Education, November 5<sup>th</sup>, 2012, Jerusalem, Israel.
- 110.** *Trends in Work Patterns and Income of the Elderly in Israel.* Presented at the Fourth Annual Conference of ESPAnet Israel, "The Welfare State: Change, Breakdown or Awakening", January 31<sup>st</sup>, 2013, Jerusalem, Israel.

- 111.** *Land Reform and its Distributional Implications: The Case of Georgia.* Presented at the International Workshop on “Agricultural Transition In Central And Eastern Europe And The Former USSR After 20 Years, March 20-22, 2013, Rehovot, Israel.
- 112.** *Who needs Agriculture in Israel?* Presented at the “Agriculture Grows Opportunities” Conference, May 20, 2013, Tel Aviv, Israel.
- 113.** *Trends in Employment Patterns of the Elderly: Canada vs Israel.* Presented at the 14<sup>th</sup> Jerusalem Conference in Canadian Studies, May 20-23, 2013, The Hebrew University, Jerusalem, Israel.
- 114.** *Income Inequality between and within Population Groups in Israel: 1997-2010.* Presented at the 29<sup>th</sup> Annual Meeting of the Israel Economic Association, June 4, 2013, Tel-Aviv, Israel.
- 115.** *Is the Israeli Labor Market Segmented?* Presented at the 2013 Australasian Meetings of the Econometric Society, July 10-12, 2013, Sydney, NSW, Australia.
- 116.** *Employment and well-being of older Israelis.* Presented at the “Too Young to Retire – Too Old to Work” Workshop, October 6-7, 2013, Tel Aviv University, Tel Aviv, Israel.
- 117.** *Trends of Labor Income Inequality in Israel.* Presented at the “Causes and Consequences of Inequality” Workshop, October 30, 2013, Taub Center for Social Policy Studies in Israel, Jerusalem, Israel.
- 118.** *“Migrant” Workers in Israeli Agriculture and Export Expansion: Is There a Link?* Presented at the IATRC 2013 meeting, December 15-17, 2013, Clearwater Beach, FL, USA (keynote lecture).
- 119.** *Implications of the World Food Price Fluctuations.* Presented at the Third Annual Conference of the Israel Society of Crop and Vegetable Sciences, February 3-4, 2014, Rehovot, Israel (keynote lecture).
- 120.** *Trends in Labor Market Inequality in Israel.* Presented at the Fifth Annual Conference of ESPAnet Israel, "Inequality, Poverty and Exclusion: Challenges for the Welfare State", February 13<sup>th</sup>, 2014, Tel Aviv, Israel.
- 121.** *Does Family Composition Affect Social Networking?* Presented at the CESifo Conference on Social Economics, March 21-22, 2014, Munich, Germany.
- 122.** *Socio-Economic Trends in Israel.* Presented at the 49<sup>th</sup> Annual Conference of the World Poultry Science Association – Israel Branch, March 25-27, 2014, Jerusalem, Israel (keynote lecture).
- 123.** *Trends in Wage Inequality in Israel.* Presented at the 30<sup>th</sup> Annual Meeting of the Israel Economic Association, May 20, 2014, Tel-Aviv, Israel.
- 124.** *Trends in the Global Food Situation.* Presented at the Hishtil International Conference, May 22, 2014, Ashkelon, Israel.

- 125.** *The Future of Social Policy: The Case of Old-Age Support.* Presented at the Wolf Foundation Summit in Honor of the 2014 Wolf Prize Laureates, May 29, 2014, Jerusalem, Israel.
- 126.** *The Effect of the Dairy Farm Policy Reform on Dairy Farm Efficiency.* Presented at the Workshop for Research in Agricultural Economics and Rural Development, June 23, 2014, Ministry of Agriculture and Rural Development, Beit Dagan, Israel.
- 127.** *The Differences between the Rural Population and The Urban Population in Israel: Work, Income and Well-Being.* Presented at the Workshop for Research in Agricultural Economics and Rural Development, June 23, 2014, Ministry of Agriculture and Rural Development, Beit Dagan, Israel.
- 128.** *Efficiency Implications of the Dairy Farm Policy Reform in Israel.* Presented at the “Georgia-Israel Relations: Managing Green Economy” Conference, July 14-17, 2014, Mestia, Georgia.
- 129.** *Identifying Determinants of Income Inequality in the Presence of Multiple Income Sources: The Case of Korean Farm Households.* With Yuko Arayama and Jong-Moo Kim. Poster Presented at the 14<sup>th</sup> Congress of the European Association of Agricultural Economists, August 26–29, 2014, Ljubljana, Slovenia.
- 130.** *The Impact of Climate Change on Agriculture and Food Prices: Combining a Micro Land Use Model and a Market Equilibrium Model.* Presented at the 14<sup>th</sup> Congress of the European Association of Agricultural Economists, August 26–29, 2014, Ljubljana, Slovenia.
- 131.** *Climate Change Impacts on Agriculture, Food Prices and Consumer Welfare: Evidence from Israel.* Presented at the International Conference on Consumer Research, September 29–30, 2014, Bonn, Germany.
- 132.** *Can Female Non-Farm Labor Income Reduce Income Inequality? Evidence from Rural Southern Ethiopia.* Presented at the Conference on IGAD Economies and Federalism in Somalia, October 23-25, 2014, Adis Ababa, Ethiopia.
- 133.** *Employment, Income and Poverty of Older Israelis.* Presented at the “Elderly Rights in Israel”, the Annual Conference of the NGO’s for the Elderly in Israel, November 27, 2014, Shefayim, Israel.
- 134.** *Are Migrant Agricultural Workers Replacing the Local Workforce?* Presented at the Annual Meeting of the Allied Social Science Associations, January 3-5, 2015, Boston, MA, USA.
- 135.** *Promoting Employment of Ultra-Orthodox Men.* Presented at the 2015 Annual Conference of ESPAnet Israel, "Welfare and Equality in the Neo-Liberal era: policy, Social Services and Activism", February 23<sup>rd</sup>, 2015, Ben-Gurion University, Beer-Sheva, Israel.

- 136.** *Public Support of Agriculture: Whether, How, and How Much.* Presented at the "Is Agriculture Necessary for Israel" Workshop, May 18<sup>th</sup>, 2015, Petach Tikva Museum of Arts, Petach Tikva, Israel.
- 137.** *The Level of High School Math Studies, Academic Studies and Labor Market Performance.* Presented at the 31<sup>st</sup> Annual Meeting of the Israel Economic Association, June 1<sup>st</sup>, 2015, Tel-Aviv, Israel.
- 138.** *Trends in World Food Prices and their Impact on Israeli Farmers.* Presented at the 5<sup>th</sup> Jordan Valley Conference, June 6<sup>th</sup>, 2015, Jordan Valley Regional Council, Israel.
- 139.** *Feeding the World in the 21<sup>st</sup> Century.* Presented at the "Transitions in Israeli Agriculture and Feeding the World in the 21<sup>st</sup> Century" Conference, June 29<sup>th</sup>, 2015, The Hebrew University, Rehovot, Israel.
- 140.** *Revitalizing and Modernizing Smallholder Agriculture: The Aldeia Nova Project in Angola.* Presented at the "Israel, Food Security and the Developing World - Fulfilling the Technological Potential" Workshop, July 14<sup>th</sup>, 2015, Tel Aviv University, Tel Aviv, Israel.
- 141.** *Micro-Macro Impacts of Climate-Change on Agriculture and Food Markets.* Presented at the 29<sup>th</sup> International Conference of Agricultural Economists, August 8–14, 2015, Milan, Italy.
- 142.** *Is Foreign Farm Labor a Blessing or a Curse? Evidence from Israel.* Presented at the 29<sup>th</sup> International Conference of Agricultural Economists, August 8–14, 2015, Milan, Italy.
- 143.** *Water Market Efficiency as Key to Satisfying Increasing Food Demand in Dry Countries: The Case of Israel.* Presented at the 29<sup>th</sup> International Conference of Agricultural Economists, August 8–14, 2015, Milan, Italy.
- 144.** *Competitiveness in the Dairy Chain: Lessons for Israel.* Presented at the National Forum on Dairy Production, October 7<sup>th</sup>, 2015, Mexico City, Mexico.
- 145.** *Farm Sizes in Israel: A Historical Perspective.* Presented at the "Open-Closed: Mikveh Israel" Workshop, October 25<sup>th</sup>, 2015, Tel Aviv, Israel.
- 146.** *Is Public Support of Agriculture in Israel Justified?* Presented at the 27<sup>th</sup> Annual Conference of Cattle Sciences, November 23<sup>rd</sup>-25<sup>th</sup>, 2015, Jerusalem, Israel.
- 147.** *Agriculture and Climate Change: Inequality Implications.* Presented at the IFAD Global Expert Convening, Towards a High-Impact Demand-Driven Research Agenda for IFAD, December 1<sup>st</sup>-3<sup>rd</sup>, 2015, Rome, Italy.
- 148.** *Revitalizing and Modernizing Smallholder Agriculture: The Aldeia Nova Project in Angola.* Presented at the 4<sup>th</sup> Africa Tribune, "Practices of Development in Medicine and Agriculture," December 9<sup>th</sup>, 2015, Tel Aviv University, Tel Aviv, Israel.

- 149.** *The Future of Family Farms in Israel – Discussion.* Presented at the 14<sup>th</sup> Roundtable Discussion on the Changing Rural Hemisphere, December 13<sup>th</sup>, 2015, The Hebrew University, Jerusalem, Israel.
- 150.** *The Decision to Become an Entrepreneur and Entrepreneurial Success among Ethnic Minorities and Immigrants: The Case of Israel.* Presented at the Kauffman Foundation conference, "New Insights and Potential Sources of New Entrepreneurial Growth: Minority Entrepreneurship," January 5-6, 2016, San Francisco, CA, USA.
- 151.** *Does Consumption Decrease After Retirement, and for Whom?* Presented at the 30<sup>th</sup> Annual Conference of the European Society for Population Economics, June 15-18, 2016, Berlin, Germany.
- 152.** *Impacts of Climate Change on Agriculture and Food Markets.* Presented at the Batsheva de Rothschild Workshop on Climate Changes and their Effect on Agriculture, Economics and the Environment, June 20-21, 2016, Ein Tzurim, Israel.
- 153.** *Does Consumption Decrease After Retirement, and for Whom?* Presented at the 2016 Asia Meeting of the Econometric Society, August 11-13, 2016, Kyoto, Japan.
- 154.** *Does Consumption Decrease After Retirement, and for Whom?* Presented at the 2017 NETSPAR International Pension Workshop, January 18-20, 2017, Leiden, The Netherlands.
- 155.** *Agricultural Support Policy in Israel.* Presented at the Annual Meeting of the Union of Kibbutz Economic Organizations, February 21-22, 2017, Yezre'el, Israel.
- 156.** *Agricultural Development: Lessons from Israel.* Presented at the Conference on India-Israel Bilateral Cooperation in Agriculture, May 8, 2017, New Delhi, India.
- 157.** *The Effect of Increasing the Retirement Age on Labor Supply.* Presented at the 33<sup>rd</sup> Annual Meeting of the Israel Economic Association, June 7, 2017, Ra'anana, Israel.
- 158.** *School-to-Work Linkage: Discussion.* Presented at the Conference on Social Mobility and Inequality in Israel, June 14-15, 2017, Jerusalem, Israel.
- 159.** *Agricultural Development: Lessons from Israel.* Presented at the Roundtable on Agricultural Development in Myanmar, July 24, 2017, Yangon, Myanmar.
- 160.** *Who Exits from a Reforming Sector? The Case of Dairy Farmers in Israel.* Presented at the XV EAAE Congress, "Towards Sustainable Agri-Food Systems: Balancing Between Markets and Society," August 29-September 1, 2017, Parma, Italy.
- 161.** *Socio-economic Trends in Israel.* Presented at the 29<sup>th</sup> Annual Conference of Dairy Sciences, November 21-23, 2017, Jerusalem, Israel.

## Other Lectures and Seminars

1. *Agricultural Credit in Israel*. The Hebrew University, Department of Agricultural Economics and Management, March 1986.
2. *Part-Time Farming as an Optimal Occupational Choice Decision*. The University of Chicago, Department of Economics, May 1989.
3. *Occupational Choice in Cooperative Farming: Theory and Evidence*. The University of Chicago, Department of Economics, November 1989.
4. *Occupational Choice in Israeli Cooperative Villages*. The University of Chicago, Department of Economics, April 1990.
5. *Occupational Choice in Israeli Cooperative Villages*. The University of Maryland, Department of Agricultural and Resource Economics, May 1990.
6. *Occupational Choice in Israeli Cooperative Villages*. University of Minnesota, Department of Applied Economics, October 1990.
7. *Occupational Choice in Israeli Cooperative Villages*. The University of Chicago, Department of Economics, December 1990.
8. *Institutional Structure of Agricultural Cooperatives and its Effects on Occupational Choices: The Case of Israeli Semi-Cooperative Villages*. The University of Maryland, Department of Agricultural and Resource Economics, January 1991.
9. *The Relevance of the Extent of Farm Work to the Analysis of Off-Farm Labor Supply of Farmers*. The University of Maryland, Department of Agricultural and Resource Economics, July 1991.
10. *Occupational Choice in Israeli Cooperative Villages*. The Hebrew University, Department of Agricultural Economics and Management, 1992.
11. *Optimal Timing of Transferring the Farm Operation from Father to Son*. The Hebrew University, Department of Agricultural Economics and Management, 1993.
12. *Institutional Environment, Ideological Commitment, and Farmers' Time Allocation: the Case of Israeli Moshavim*. Haifa University, Department of Economics, October 1993.
13. *Differential Human Capital Investments and the Choice of Successor in Family Farms*. The Hebrew University, Department of Agricultural Economics and Management, 1993.
14. *Off-Farm Work of Farmers: The Effect of Household Composition*. The Hebrew University, Department of Agricultural Economics and Management, 1994.
15. *A Plan for a Household Survey in Southern Ethiopia*. The Hebrew University, Department of Agricultural Economics and Management, November 1994.
16. *Intergenerational Succession in Family Businesses*. The University of Maryland, Department of Agricultural and Resource Economics, January 1995.
17. *Estimation of an Endogenous Switching Regression Model with Discrete Dependent Variables*. The Hebrew University, Department of Agricultural Economics and Management, 1995.
18. *Household Demand for Tobacco: Identifying Reasons for Non-Purchases*. The Hebrew University, Department of Agricultural Economics and Management, 1996.
19. *Estimating Demand Functions with Corner Solutions: Testing Alternative Empirical Models*. University of Hawaii, Department of Agricultural and Resource Economics, September 1996.
20. *Retirement Planning and Succession Considerations among Maryland Farmers: Evidence from a Household Survey*. The Hebrew University, Department of Agricultural Economics and Management, 1997.

21. *Retirement Planning and Succession Considerations among Maryland Farmers: Evidence from a Household Survey*. Gießen University, Division of Economics, June 1997.
22. *Retirement Planning and Succession Considerations among Maryland Farmers: Evidence from a Household Survey*. Göttingen University, Institute for Agricultural Economics June 1997.
23. *Off-Farm Work Decisions of Farmers over the Life-Cycle: The Role of Heterogeneity and State-Dependence*. Tel-Aviv University, Department of Economics, November 1997.
24. *Barriers for Development in Zambian Agriculture*. The Hebrew University, Department of Agricultural Economics and Management, 1998.
25. *Off-Farm Work and Investment Decisions over the Farmer's Life-Cycle*. The Hebrew University, Department of Economics, May 1998.
26. *Off-Farm Work and Capital Accumulation over the Farmer's Life-Cycle*. Yale University, Department of Economics, October 1998.
27. *Capital Accumulation and Off-Farm Work Decisions of Israeli Farmers over the Life-Cycle*. Rutgers University, Department of Agricultural, Food, and Resource Economics, November 1998.
28. *Capital Accumulation and Off-Farm Work Decisions of Israeli Farmers over the Life-Cycle*. North Carolina State University, Department of Agricultural and Resource Economics, December 1998.
29. *Off-Farm Labor and Farm Capital Investments*. The Hebrew University, Department of Agricultural Economics and Management, October 1999.
30. *Intrahousehold Food Allocation in Southern Ethiopia*. The Hebrew University, Department of Agricultural Economics and Management, March 2000.
31. *Off-Farm Work and Capital Accumulation Decisions of Farmers over the Life-Cycle*. INRA Rennes Department of Rural Economics and Sociology, June 2000.
32. *Supervision and Transaction Costs: Evidence from Bicol Rice Farms*. The Hebrew University, Department of Agricultural Economics and Management, 2000.
33. *Threshold Variation and Multivariate Ordered Discrete Response Models*. The Hebrew University, Department of Agricultural Economics and Management, April 2001.
34. *Living on the Farm – Working Off-Farm*. Israel Central Bureau of Statistics, Seminar on Agricultural Statistics, July 2001.
35. *Changes in Labor Supply Patterns in Moshavim*. Emek Yizre'el College, November 2001.
36. *Socio-Economic Determinants of Health and Physical Fitness in Southern Ethiopia*. The Hebrew University, Department of Economics, May 2002.
37. *Family Composition and Farmers' Time Allocation*. INRA Rennes Department of Rural Economics and Sociology, August 2002.
38. *Off-Farm Labor Supply of Israeli Farmers*. United States Department of Agriculture, Economic Research Service, January 2003.
39. *Family Composition and Farmers' Time Allocation*. Israel Central Bureau of Statistics, Workshop on Agricultural Statistics, April 2003.
40. *On the Estimation of Multiple Participation Equations*. The Hebrew University, Department of Agricultural Economics and Management, June 2003.
41. *Comments on The Empirics of Growth*. The World Bank, Growth Thematic Group, June 2003.
42. *The Effects of Technological, Institutional, and Structural Changes on Family Farms*. Israel Ministry of Agriculture and Rural Development, October 2003.

43. *Population Well-Being in Rural Localities in Israel*. The Hebrew University, Department of Agricultural Economics and Management, December 2003.
44. *The Rise and Fall of Israeli Agriculture: Technology, Markets, and Policy*. Sung Kyun Kwan University, Seoul, Department of Economics, October 2004.
45. *Part-Time Farming and the The Allocation of Time in Agricultural Households*. Sung Kyun Kwan University, Seoul, Department of Economics, November 2004.
46. *Cooperation, Conflict, and Intergenerational Succession in Farm Households*. Sung Kyun Kwan University, Seoul, Department of Economics, November 2004.
47. *Labor Supervision and Transaction Costs: Evidence from Bicol Rice Farms*. Bar Ilan University, Department of Economics, December 2004.
48. *Growth, Inequality and Labor Markets in LDCs: A Survey*. The World Bank, January 2005.
49. *Intergenerational Succession on Family Farms*. Tel-Aviv Academic College, March 2005.
50. *Structural Changes in the Israeli Farm Sector*. Nagoya University, December 2005.
51. *Labor Allocation Decisions in Israeli Farm Families*. University of Pennsylvania, Population Studies Center Colloquium, February 2006.
52. *Has Debt Restructuring Facilitated Structural Transformation on Israeli Family Farms?* The University of Maryland, Department of Agricultural and Resource Economics, May 2006.
53. *Are Changes in Farm Size and Labor Allocation Structurally Related? Dynamic Analysis of Structural Changes in Israeli Agriculture*. United States Department of Agriculture, Economic Research Service, May 2006.
54. *Has Debt Restructuring Facilitated Structural Transformation on Israeli Family Farms?* Nagoya University (Japan), School of Economics, July 2006.
55. *Economic Well-Being in Rural Communities in Israel: The Role of Agriculture*. Chiba University (Japan), Faculty of Horticulture, July 2006.
56. *Blooming Agriculture, Bankrupt Farmers: the Current Agricultural Situation in Israel*. Institute of Developing Economies (Japan), Area Studies Center, August 2006.
57. *On the Interdependence of Work Choices and Farm Size in Israeli Family Farms*. Kyoto University (Japan), Natural Resource Economics Division, September 2006.
58. *Economics of the Family: Theory and Applications to Farm Households. Part 1: Time Allocation*. Nagoya University (Japan), School of Economics, September 2006.
59. *Economics of the Family: Theory and Applications to Farm Households. Part 2: Intergenerational Transfers*. Nagoya University (Japan), School of Economics, September 2006.
60. *On the Interdependence of Work Choices and Farm Size in Israeli Family Farms*. Hitotsubashi University (Japan), Department of Economics, September 2006.
61. *Determinants of Income Inequality among Korean Farm Households*. Nagoya University (Japan), Center for Economic Research, September 2006.
62. *Decomposition of Inequality using Multiple Regression: Application to Korean Farm Households*. The Hebrew University, Department of Agricultural Economics and Management, December 2006.
63. *Determinants of Income Inequality among Korean Farm Households*. Haifa University (Israel), Department of Economics, January 2007.

64. *Regression-Based Inequality Decomposition: A Critical Review and Application to Farm-Household Income Data*. University of California, Santa Cruz, Department of Economics, April 2007.
65. *Regression-Based Inequality Decomposition: A Critical Review and Application to Farm-Household Income Data*. Bar Ilan University (Israel), Department of Economics, December 2007.
66. *Has Debt Restructuring Facilitated Structural Transformation on Israeli Family Farms?* The Hebrew University, Department of Agricultural Economics and Management, May 2008.
67. *Sources of Income Inequality among Agricultural Households in Korea*. The Hebrew University (Israel), Department of East Asian Studies, June 2008.
68. *The World Food Crisis and its Effect on Israeli Agriculture*. Mishkey Beit Shean (Israel), August 2008.
69. *The World Food Crisis: Causes and Consequences*. Kibbutz Yakum (Israel), December 2008.
70. *What's Going On with Food Prices?* Weizmann Institute of Science (Israel), February 2009.
71. *Using Inequality Decompositions to Focus Counteractive Policy*. Tel Aviv University (Israel), Department of Sociology. November 2009.
72. *Guidelines for Rural Policy in Israel*. Tnu'at Hamoshavim (Israel), Economic Forum. December 2009.
73. *Labor Market Issues in Israel*. Hillel Association (Israel), September 2010.
74. *Economic Growth and Income Gaps in Israel*. Weizmann Institute of Science (Israel), January 2011.
75. *Using Regression-Based Inequality Decomposition for Policy Evaluation: The Case of Educational Attainment in Israel*. Ben Gurion University (Israel), Department of Economics, March 2011.
76. *Schooling Gaps – A Major Determinant of Socio-Economic Gaps in Israel*. Achva Academic Capmus (Israel), June 2011.
77. *Schooling Gaps – A Major Determinant of Socio-Economic Gaps in Israel*. Meeting of School Headmasters, Yad Hashmona (Israel), September 2011.
78. *Religious Schooling, Secular Schooling, and Household Income Inequality in Israel*. Vienna University for Economics and Business (Austria), Department of Economics, October 2011.
79. *Land Reform and Its Distributional Implications: The Case of Georgia*. University of Leuven (Belgium), LICOS Centre for Institutions & Economic Performance, October 2011.
80. *Schooling Gaps – A Major Determinant of Socio-Economic Gaps in Israel*. Meeting of Managers of Day Centers for the Elderly, Ma'ale Hahamisha (Israel), November 2011.
81. *Schooling as a Major Determinant of Socio-Economic Gaps in Israel*. Meeting of Library Managers, Ramat Rachel (Israel), November 2011.
82. *Society, Economy and Education*. The Koret-Milken Institute (Israel), December 2011.
83. *The Food Price Crisis and Development Challenges in Developing Countries*. CINADCO - The Center for International Agricultural Development Cooperation (Israel), January 2012.
84. *Labor Market Trends: Employment and Wage Gaps*. Taub Center for Social Policy Studies (Israel), Labor Policy Group, January 2012.

85. *Society, Economy and Education*. Movement for Progressive Judaism's Pre-Army Mechina Program for Leadership (Israel), February 2012.
86. *Society, Economy and Education*. Afik Center for Student Leadership, National Union of Israeli Students (Israel), February 2012.
87. *Society, Economy, Education and Policy*. Detroit Federation's Israel and Overseas Committee Visit (Israel), February 2012.
88. *Land Reform and Its Distributional Implications: The Case of Georgia*. Holon Institute of Technology (Israel), Faculty of Management of Technology, March 2012.
89. *The World Food Crisis: The Role of Agriculture*. CINADCO - The Center for International Agricultural Development Cooperation (Israel), March 2012.
90. *Society, Economy and Education*. Prime Minister's Office (Israel), March 2012.
91. *Society, Economy and Policy in Israel*. Parliamentary Foreign Affairs Committee of Finland (Israel), May 2012.
92. *Land Reform and its Distributional Implications: The Case of Georgia*. Ben Gurion University (Israel), Department of Economics, May 2012.
93. *Society, Economy and Policy in Israel*. BICOM, the Britain Israel Communications and Research Centre (Israel), May 2012.
94. *Structural Changes in Israeli Agriculture*. Research Center for Humanity and Nature (Japan), August 2012.
95. *What Happens to World Food Prices?* Research Center for Humanity and Nature (Japan), September 2012.
96. *World Food Price Fluctuations: Sources, Implications and Solutions*. United Nations University, Institute for Advanced Studies (Japan), September 2012.
97. *Farm Household Adjustment to Structural Changes: Evidence from Israel*. Nagoya University (Japan), School of Economics, September 2012.
98. *Climate Change, Agricultural Adaptation, and Food Prices*. Research Center for Humanity and Nature (Japan), September 2012.
99. *Economic Analysis of Water Management Efficiency: The Israeli Experience*. Research Center for Humanity and Nature (Japan), September 2012.
100. *Agricultural Structure and Water Resource Policy*. Kyoto University (Japan), October 2012.
101. *Society, Economy and Policy in Israel*. Garin Tzabar Jerusalem Seminar, Zofim Olami (Israel), October 2012.
102. *Socio- Economic Gaps in Israel*. Sapir Academic College, Sderot (Israel), October 2012.
103. *Trends in Israeli Economy and Society*. The Koret-Milken Institute (Israel), October 2012.
104. *Is the Rise in Food Prices Permanent or Temporary?* "Madua" Lecture, The Hebrew University, Jerusalem (Israel), November 2012.
105. *Socio- Economic Gaps in Israel*. Students of Economics Forum, The Hebrew University, Jerusalem (Israel), November 2012.
106. *Society, Economy and Policy in Israel*. The Associated Baltimore Jewish Federation Delegation, Jerusalem, (Israel), February 2013.
107. *Economy and Society in Israel*. American Embassy Youth Council, Tel-Aviv, (Israel), March 2013.
108. *Trends in Employment and Income of the Elderly*. The Hebrew University, Department of Agricultural Economics and Management, Rehovot (Israel), May 2013.

109. *Society, Economy and Policy in Israel*. Chicago-Kiryat Gat-Lachish-Shafir Partnership Steering Committee, Kiryat Gat, (Israel), June 2013.
110. *Israeli Agriculture: Past, Present and Future*. The Hebrew University, Faculty of Agriculture, Food and Environment, Rehovot (Israel), June 2013.
111. *Climate Change, Agricultural Adaptation and Food Prices: A Partial Equilibrium Approach Using Micro Data*. University of Sydney, Department of Agricultural and Resource Economics (Australia), August 2013.
112. *Society, Economy and Policy: Findings from the Taub Center research in Israel*. Jewish National Fund of Australia, Melbourne, (Australia), August 2013.
113. *The Agricultural Economy of Israel*. The Hebrew University, Faculty of Agriculture, Food and Environment, Rehovot (Israel), September 2013.
114. *Economy and Society in Israel: Trends and International Comparisons*. The Koret-Milken Institute (Israel), September 2013.
115. *Labor Market Trends and Disparities in Israel*. UJA Federation of New York (USA), December 2013.
116. *Socio-Economic Trends in Israel*. Ruppin Academic College (Israel), June 2014.
117. *The Impact of Climate Change on Agriculture and Food Prices: Combining a Micro Land Use Model and a Market Equilibrium Model*. University of Bonn (Germany), October 2014.
118. *Well-being, Inequality and Education in Israel*. Kiryat Moriah, Jerusalem (Israel), October 2014.
119. *Socio-Economic Trends in Israel*. Mercantile Bank (Israel), November 2014.
120. *Socio-Economic Policy in Israel*. Agricultural Research Organization, Institute of Animal Science (Israel), December 2014.
121. *Are Migrant Agricultural Workers Replacing the Local Workforce?* Hebrew University, Department of Agricultural Economics and Management (Israel), December 2014.
122. *The Start-Up Nation and the Threat from Within*. Holon Institute of Technology, Faculty of Design (Israel), December 2014.
123. *The Start-Up Nation and the Threat from Within*. Ministry of Agriculture and Rural Development (Israel), December 2014.
124. *The Start-Up Nation and the Threat from Within*. Combined Jewish Philanthropies, Boston (USA), January 2015.
125. *The Start-Up Nation and the Threat from Within*. Milken Institute (Israel), January 2015.
126. *The Start-Up Nation and the Threat from Within*. Meitar, Liguornik, Geva, Leshem, Tal (Israel), January 2015.
127. *The Start-Up Nation and the Threat from Within*. Israel National Defense College (Israel), March 2015.
128. *Socioeconomic Challenges for the Start-Up Nation*. Taub Center for Social Policy Studies (Israel), March 2015.
129. *Socioeconomic Challenges for the Start-Up Nation*. Menachem Begin Heritage Center (Israel), April 2015.
130. *The Importance of Agriculture to Rural Revitalization: The Case of Israel*. Weitz Center for Development Studies (Israel), May 2015.
131. *The Level of High School Math Studies, Academic Studies and Labor Market Performance*. Department of Public Policy, Tel Aviv University (Israel), June 2015.

132. *Climate Change Impacts on Agriculture, Food Prices and Consumer Welfare: Evidence from Israel*. Faculty of Agriculture, Food and Environment, The Hebrew University (Israel), June 2015.
133. *The World Food Market*. Israeli Ministry of Agriculture and Rural Development (Israel), July 2015.
134. *Socio-Economic Policy in Israel*. Israeli Dairy Board (Israel), September 2015.
135. *Socio-Economic Trends in Israel*. Milken Institute (Israel), October 2015.
136. *Socio-Economic Trends in Israel: A Policy Perspective*. Fuchsberg Center (Israel), October 2015.
137. *The Importance of Education for Closing Social Gaps in Israel*. Muzot School (Israel), November 2015.
138. *The Level of High School Math Studies, Academic Studies and Labor Market Performance*. School of Economics and Management, Tel Aviv-Yaffo Academic College (Israel), November 2015.
139. *The Labor Market in Israel*. Van Leer Institute, Jerusalem (Israel), January 2016.
140. *The Involvement of Haredim in the Labor Market*. The Open University, Tel Aviv (Israel), January 2016.
141. *Foreign workers in Israeli Agriculture: A Blessing or a Curse?* Chief Economist Office, Ministry of Finance, Jerusalem (Israel), January 2016.
142. *The Start-Up Nation's Threat from Within*. German-Israeli Young Leader Exchange Program, BertelsmannStiftung, Tel Aviv (Israel), February 2016.
143. *Feeding the World in the 21<sup>st</sup> Century*. Student Award Ceremony, Faculty of Agriculture, Food and Environment, The Hebrew University, Rehovot (Israel), February 2016.
144. *The Labor Market in Israel*. Tel Aviv University, Tel-Aviv (Israel), March 2016.
145. *The Agricultural Economy of Israel: Past, Present and Future*. Mechinat Nachshon, Giv'at Brenner (Israel), March 2016.
146. *The Agricultural Economy of Israel: Past, Present and Future*. Faculty of Agriculture, Food and Environment, The Hebrew University, Rehovot (Israel), March 2016.
147. *Trends in World Food Prices*. Kfar Varburg (Israel), March 2016.
148. *Trends in World Food Prices*. School of Economics and Business Administration, Ruppin Academic Center (Israel), June 2016.
